FUN FACTS

We use Twineham Grange (Bookham Harrison farm, Horsham) vegetarian "parmesan" on our pizzas. Tastes just as good as regular parm but it's vegetarian friendly.

We get our fior di latte (mozzarella) from just outside of Naples, it's a brand used by many of the top Neapolitan pizza places in Naples.

The flour we use is milled in Piacenza (Northern Italy) by the only mill in Italy that still washes the wheat with water, allowing the flour to have a better quality.

V = VEGETARIAN, VG = VEGAN. For allergen info please speak to a member of staff
